Communication Challenges & Resolutions:

S.No	Challenge Faced	Resolution / Action Taken
1	Initial confusion on project requirements and feature scope.	Discussed the requirements as a team, analyzed the scope clearly, and finalized the project deliverables.
2	Errors while integrating AI models (Gemini and LaMini).	Reviewed error messages, researched documentation, and resolved the issues through team collaboration.
3	Coordinating documentation and testing tasks within the team.	Created a task list, assigned responsibilities, and conducted regular check-ins to ensure timely completion.
